# The perfect snapshot of your future!

El Centro College is known for its diverse student body. Its central location allows students from all parts of Dallas County to take advantage of core educational courses transferable to four-year institutions, as well as career training in more than 50 exciting fields and a variety of continuing/workforce education courses. Students at El Centro are of all ages and come from all walks of life eager to take advantage of the many exciting and popular programs offered here.

## One College...Three Campuses!

El Centro has three campuses: **Downtown Campus**, **Bill J. Priest Campus** and our **West Dallas Campus**.

### West Dallas Campus

The **West Dallas Campus** is a one stop location close to home to register for classes. Students can meet with an advisor, register for classes and speak to a Financial Aid advisor all at the West Campus. Free parking is available.

### Bill J. Priest Campus

Our Bill J. Priest campus offers a variety of programs such as welding courses, workplace skills, job search assistance, career exploration, industrial maintenance among others.

## El Centro students ride DART Free!

Qualified ECC students can ride free on DART trains and buses anytime, anywhere during the semester for which you register at least six credit hours during the fall or spring or three credit hours during the summer. This exceptional service is also available to Continuing Education students enrolled in at least 96 contact hours in a single quarter and 48 in the summer.

## Academic programs

El Centro is well known in the community for its extraordinary Allied Health programs, Fashion/Interior Design, Culinary and Information Technology programs among others. El Centro was the first of the DCCCD campuses to offer a nursing program and has established relationships with several top-notch hospitals in the Dallas area.

The Fashion Design program has won several competitions and students have won scholarships to study abroad in Europe. Fashion design and fashion marketing students now take advantage of El Centro's stature in the industry to begin an interesting and rewarding career in the fashion industry.
