

Enter the World of Computer Literacy While Earning a Nationally Recognized Certification

Prime candidates for the IC³ Certification are GED Students, Continuing Education Students, and Employees who use technology in their careers.

IC³ is the world's first validated, standards-based training and certification program for basic computing and Internet knowledge skills.

IC³ demonstrates to potential employers and academic institutions that you can use a computer effectively.

IC³ is your foundation for advancement in education, employment, or other certification programs.
