

Food Service Management

The El Centro College Food Protection Certification and Recertification Programs meet training requirements mandated by the cities of Dallas, Garland and Mesquite.

FOOD SERVICE MANAGER CERTIFICATION

This course is the 15-hour certification program for owners and operators of establishments which prepare and serve food to the public. Topics include methods of proper food storage, techniques for sanitary food service preparation, employee sanitation, pest control, accident prevention, housekeeping management, sanitation regulations and standards, and facility conditions which contribute to outbreaks of food-borne disease. This course satisfies FDA and Texas Department of Health guidelines. Candidates who successfully pass the DSHS CFM examination will receive a certificate valid for 5 years. At the end of the fifth year the candidate will re-certify by retaking the CRM examination.

RECERTIFICATION FOOD PROTECTION MANAGEMENT

This recertification course is designed for owners and operators of establishments that prepare and serve food to the public. Specified topics include categories of food contamination, factors that contribute to food-borne illness, and introduction to HACCP. All students must show evidence of successful completion of the 15-hour Basic Food Service Manager Certification course. By state law, if your certification has been expired for more than 30 days, you must take the 15-hour certification course. This course satisfies FDA and Texas Department of Health guidelines. Candidates who successfully pass the DSHS CFM examination will receive a certificate valid for 5 years. At the end of the fifth year the candidate will re-certify by retaking the CRM examination.
