

Concurrent Enrollment

Many credit courses are available on a non-credit basis through continuing education enrollment. These concurrent classes are allotted a limited number of spaces, and students are accepted on a first come, first served basis.

Concurrent enrollment students earn Continuing Education Units (CEUs) rather than college credit for attending class.

Listed below are the Spring 2012 classes available for registration on a non-credit basis.

Short Title	Credit Rubric	Section	Lec	Lab	eCampus	CE Rubric	Number	Section	Days	CEUS	Tuition
