

HOW TO OBTAIN AN INTERNET DEVELOPMENT TECHNOLOGIES DEGREE PLAN

All students pursuing an Internet Development Technologies (IDT) award need to make a request for a degree plan for any of the following:

Applied Associate of Sciences in IDT with:

Web Site Administration specialization
Web Application Development specialization
Interactive Media specialization
Internet Marketing specialization

Certificate in:

Web Site Administration
OS Administration
Web Application Development
Interactive Media
Internet Marketing

While a degree plan can be obtained through a request to any counselor or advisor, it is recommended that students make their request for an IDT degree plan through the

IT Advisor Linda Savage A421 214 860-2006 lsavage@dcccd.edu

Students should also work closely with Ms. Savage for advisement about courses needed for completion of IDT awards.

HOW TO APPLY FOR GRADUATION

When students have completed all but the last semester of courses required in their degree plan; make an appointment with Ms. Savage to complete the **Application for Graduation**, determine if course substitutions are needed and verify which courses remain to be taken in order to complete your award.
