Tuberculosis testing:

- **International transfer students** must provide with their application official written medical proof of freedom from tuberculosis through either a negative Mantoux tuberculin skin test or chest X-ray that was given inside the United States within the last one (1) year.
- **Out-of Country students** must undergo testing for freedom from tuberculosis upon arrival in the United States before test assessments and registration in classes will be allowed.

The DCCCD does recommend that all prospective students have adequate immunization for bacterial meningitis, diphtheria, rubeola, rubella, mumps, tetanus and poliomyelitis. (see Texas Department of Health's Recommended Adult Immunization Schedule in the DCCCD Catalog.)
