and Nursing*

El Centro College

Paramedic Certificate – Dept.

- Revised for 2018/2019 Application -

The El Centro College Paramedic Certificate program is a 42 semester hour, 6 ½ month program designed to prepare individuals to provide advanced prehospital care to emergency patients. Upon completion of the program, a certificate will be awarded.

Applicants to the Paramedic program must have completed previous training as an Emergency Medical Technician (EMT) and have State of Texas EMT certification or the National EMT Registry credential. Applicants must also have completed assessment test in reading comprehension and mathematics or have equivalent coursework in those areas. Applicants must have college credit courses in human anatomy and physiology or have successfully completed the anatomy/physiology course and competency exam through the El Centro College Continuing Education Division.

The Paramedic program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP 25400 U.S. Highway 19 North, Suite 158, Clearwater, FL 33763 Phone: 727-210-2350, www.caahep.org) in conjunction with the Commission on Accreditation for Educational Programs for the EMS Profession (COAEMSP). Graduates are eligible to take the National Registry of EMT's certification exam.

This information packet contains specific application guidelines for applicants who are employed by fire departments and other public safety agencies. By submitting an application packet, an individual verifies that they have 1) read the packet thoroughly, 2) obtained all necessary documents from designated website addresses, and 3) understood the policies and procedures for application and acceptance to the program.

EQUAL EDUCATION OPPORTUNITY

Educational opportunities are offered by the Dallas County Community College District without regard to race, color, age, national origin, religion, sex, disability, or sexual orientation.

APPLICATION REQUIREMENTS TO THE PARAMEDIC CERTIFICATE PROGRAM

Application to the Paramedic Certificate program requires:

- Graduation from high school or successful completion of the General Education Development (GED).

- Application and current admission to a Dallas County Community college.

- Submission of official transcripts from each college or university previously attended (transcripts from Dallas County Community colleges are not required).
- View the online Paramedic Certificate information session.
- Achievement of minimum scores on selected reading comprehension and mathematics assessment testing,

OR

Equivalent college level coursework with a minimum grade of “C” in ENGL 1301 – Composition I and MATH 1314 – College Algebra.

- Successful completion of an EMT training course with Texas EMT Certification or National Registry EMT’s credential
- Completion of FEMA independent study courses IS-100.B – Introduction to Incident Command system, ICS -100 and IS-700.A – National Management System (NIMS) An Introduction (no charge)
- Completion of college level human anatomy/physiology coursework ,

OR

Successful completion of the El Centro College Continuing Education anatomy/physiology course and competency exam.

- Secure the completion of the Verification of Sponsorship form by your EMS training coordinator or other official at the sponsoring fire department or other public safety agency.
- Submission of complete documentation of a current physical exam, tuberculosis screening, required immunizations, and CPR certification to Castle Branch.
- Submission of a complete application packet to the Health Sciences Division office by the designated application deadline.

A. High School Diploma / GED

An applicant to the Paramedic Certificate Program must be a high school graduate or have successfully completed the General Education Diploma (GED) certificate. NOTE: Applicants who have never attended a college or university for credit courses must provide a photocopy of a high school transcript, or high school diploma or GED certificate with application materials.

B. General Admission/Application Requirements to the College

Applicants to the Paramedic Certificate Program must meet college admission requirements of El Centro College as outlined in the official college catalog at <https://www.ElCentroCollege.edu/apply-reg>. Applicants must have earned either a high school diploma or General Education Diploma (GED).

Online DCCCD Application

Individuals who have never attended a DCCCD campus for credit or non-credit courses may complete the online DCCCD application. See the instructions for online application through EConnect at <https://www.ElCentroCollege.edu/apply-reg>. After completing the online application, a seven digit DCCCD student identification numbers will be assigned to the applicant. NOTE: Additional residency information such as a valid driver license or other proof of residency for tuition purposes may be required before the student ID number is assigned. The additional documentation must be submitted directly to the El Centro College Registrar/Admissions Office at 801 Main Street. See the Residency Verification Addendum for Tuition Rate in this information packet for residency documentation guidelines.

Printable DCCCD Application Form

Individuals who have previously been enrolled at a DCCCD campus must submit a paper DCCCD application form with documentation of residency. The link to the printable application form is found at <https://www.ElCentroCollege.edu/apply-reg/documents/admissionsapplication.pdf>. If enrolled in credit courses at a DCCCD campus within twelve months prior to the start of the Paramedic program, the individual's application status is considered current and a new DCCCD application may not be required.

NOTE: An additional copy of a driver license and other residency documentation as needed is also submitted with Paramedic application materials as noted in section J of this information packet.

Social Security Number

All students applying or enrolled at a Dallas County Community college are required to submit their Social Security number to the Registrar's Office. Students who do not possess a Social Security number must complete a form obtained at the Registrar's Office. For more information, consult a Registrar/Admissions Office at any Dallas County Community college.

Bacterial Meningitis Documentation

All students under 22 years of age who are applying to a Dallas County Community must submit proof of a current meningococcal vaccination directly to the El Centro College Registrar/Admissions Office. The vaccination must have occurred at least ten (10) days prior to submission of the documentation and before classes begin and must be within a five year time span. More information on this requirement including the form to be submitted with the vaccination documentation is found at the following link:

<https://www.elcentrocollege.edu/apply-reg/apply/pages/meningitis.aspx>.

Official College Transcripts

Prior to application to the Paramedic Certificate program, potential applicants must have submitted **official transcripts from all colleges and universities the applicant has attended**. The transcripts must be current with the **print date no earlier than three years** prior to the applicant's anticipated admission to the program. **If the official transcripts have not been submitted prior to the application deadline date, the individual's application to a health occupations program will be voided.** The official transcripts may be submitted to El Centro College Registrar/Admissions Office with a DCCCD application form or at the Registrar/Admissions Office at any of the other Dallas County Community colleges.

C. Online Program Information Sessions

Potential applicants are required to view an online Paramedic Certificate program information session where the program, application procedures, and acceptance policies are discussed in detail. After viewing the online information session and completing the questionnaire at the end of the presentation, the Paramedic Certificate program application forms will be emailed to the individual. The link for the online information session is found at:

<https://www.ElCentroCollege.edu/Health-Sessions>

D. Assessment Testing – Reading Comprehension and Mathematics

ALL applicants to the Paramedic Certificate program meet assessment testing requirements in reading comprehension and mathematics via one of the methods below:

1. Achieve minimum assessment scores in reading comprehension and mathematics in approved assessment tools such as TASP, TSI, SAT ACT, Accuplacer*, and other approved tests.
2. Achieve a passing grade of "C" or higher in ENGL 1301 – Composition I and MATH 1314 – College Algebra or equivalent college courses.

***NOTE:** An appointment for the TSI or Accuplacer assessment testing at the El Centro campus is not necessary, however, applicants must obtain a testing referral slip from the El Centro College Advising/Counseling Center, Room A-110. Please contact the Assessment Center at 214-860-2178 for hours of operation. For further assistance regarding assessment testing, please consult the El Centro College Health Sciences Division Office.

Veterans of the military may be exempt from assessment testing. Consult an academic advisor for more information.

Students may present any combination from the reading **and** math test columns below to fulfill the assessment testing requirement for application to the Paramedic Certificate program. Minimum acceptable scores for each test are indicated. TASP, SAT and ACT scores are valid for five years from time of testing to date of application. The TLI expires three years after the testing date. All other test scores are valid for two years from time of testing to date of application.

READING COMPREHENSION TESTS

TSI Reading	351
SAT Verbal (Critical Reading)	500
ACT English (Reading)	19
TAKS (ELA)	2200
STARR EOC (ENG III) level 2 min.	1875
ACCUPLACER Reading	78
COMPASS Reading	81

MATH SKILLS ASSESSMENT TESTS

TSI Math	336
SAT Math	500
ACT Math	19
TAKS Math	2200
STARR EOC (Algebra II) level 2 min.	3500
ACCUPLACER Elementary Algebra	66/63
COMPASS Algebra	39

Retesting Policy

Applicants to the Paramedic Certificate program who do not achieve minimum scores in reading and math assessment testing **may retest one time** for a \$10.00 fee per test and with permission from the El Centro College Advising/Counseling Office. If the applicant does not achieve minimum required scores on the retest, the applicant must complete one of the following options before being granted a third and final testing opportunity during that application filing period. The three options are: a) enrolling in developmental coursework; b) submit documented proof of obtaining tutoring; or c) enrolling in the Continuing Education course “College Fresh Start” which grants access to the College Learning Center for self-remediation utilizing computer programs, video/audio tapes, etc. If the applicant does not achieve minimum scores on the final retest, the applicant will not be allowed to submit an application during the current filing period and cannot test again until the following semester.

E. EMT Training Prerequisite

Applicants must have completed an approved EMT training program and obtained the State of Texas EMT Certification or the National EMT Registry credential. The certification must be current and up to date and must be submitted with the application materials.

F. FEMA Independent Study Courses

Prior to application to the program, applicants must complete two FEMA independent courses which are available at the indicated links:

IS-100.B – Introduction to Incident Command system
<https://training.fema.gov/is/courseoverview.aspx?code=IS-100.b>

ICS -100 and IS-700.A – National Management System (NIMS) An Introduction
<https://training.fema.gov/is/courseoverview.aspx?code=IS-700.a>

There is no charge for these online courses. After completion of these online courses, a certificate is awarded for each. The applicant must submit the certificates with their Paramedic Certificate program application materials.

G. Anatomy/Physiology Coursework

Applicants must have completed **previous coursework in human anatomy and physiology** or **successfully completed the anatomy/physiology course and competency examination** offered through the EI Centro College Continuing Education Division. Contact that division at 214-860-2147 for more information regarding EMT training program and the anatomy/physiology course and competency exam.

Acceptable college coursework in anatomy/physiology includes SCIT 1407 – Applied Anatomy and Physiology I, SCIT 1408 – Applied Anatomy and Physiology II, BIOL 2401 – Human Anatomy and Physiology I or BIOL 2402 – Human Anatomy and Physiology II or equivalent courses as determined by the Health Occupations Admissions Office.

H. Verification of Sponsorship Form

Applicants to the Paramedic Certificate Program who are employed by fire departments or other public safety agencies are required to submit a Verification of Sponsorship form which indicates information such as the name of the sponsoring department, the applicant's hire date, and employment status (paid full or part-time, or volunteer). The form as signed by the department EMS training coordinator or other authorized department official verifying that department is responsible for the applicant's background check, drug screening, liability insurance coverage and personal healthcare coverage.

I. Castle Branch

Applicants to the Paramedic program are required to have a current physical examination, specific immunizations, a tuberculosis screening, and certification in BLS - Basic Life Support CPR. The EI Centro College Health Sciences Division utilizes Castle Branch, a medical record management company, to verify these requirements. Applicants submit this documentation directly to Castle Branch which will verify whether the records are complete.

IMPORTANT NOTE: Some of the immunizations required multiple doses on a specific timeline over several months. Therefore, potential applicants to this program should begin their immunizations at least six to seven months prior to the application deadline.

Castle Branch must receive this documentation and verify that the applicant's records are in compliance no later than the application filing deadline. Please be aware that it can take **up to 4 weeks** to complete the verification process. Failure to submit this documentation and be in compliance with these requirements on the date of the application deadline will result in disqualification of the applicant. Applicants must be aware that the documentation required by Castle Branch must be kept current throughout the application process and (if accepted to a program) during their participation in the program. It is the responsibility of the applicant to assure that your health records are current.

For more information on Castle Branch and this process, see the "Immunization Requirements" link at <https://www.EICentroCollege.edu/HealthOccAdmissions>.

If the applicant has personal healthcare coverage at the time of application, that documentation may also be submitted to Castle Branch. If accepted to the program, the applicant must submit proof of coverage to Castle Branch prior to attending clinical practicum. For more information, see item 5 on page 10 of this packet.

J. Paramedic Certificate Program Application Packet Submission

READ THE FOLLOWING INSTRUCTIONS CAREFULLY. Applicants must submit complete Paramedic application materials to the El Centro College Health Sciences division office either in person or by mail on or before the application filing deadline.

NOTE: Applicants are solely responsible for submitting their complete application materials directly to the El Centro College Health Sciences Division Office. Application packets with incomplete materials will be returned to the applicant.

The Paramedic Certificate program application materials must be submitted in a 9x12 inch envelope and include the following documentation to be considered complete and valid:

1. A completed Paramedic Certificate Application form and the initialed and signed Statement of Students' Responsibility form (both available after viewing the online information session).
2. Assessment test scores indicating reading comprehension and mathematics scores were achieved (SAT, ACT, TSI scores or equivalent coursework in ENGL 1301 and MATH 1314 may be printed on official transcripts which were submitted to the Registrar's Office).
3. Photocopy of Texas EMT Certification or National EMT Registry card.
4. Photocopy of two certificates verifying completion of the FEMA independent study courses.
5. Photocopy of a current driver license and, if needed, additional residency documentation.
6. The completed and signed Verification of Sponsorship form (from this information packet).

K. Application Filing Periods

The application filing period for **FALL 2018 (November)** admission to the program is:

September 1 – October 1, 2018*

Applicants selected for interviews will be notified in early October for Fall 2018 admission.

The application filing period for **SPRING 2019 (January)** admission to the program is:

October 15 – November 16, 2018*

Applicants selected for interviews will be notified in late November for Spring 2019 admission.

The application filing period for **SUMMER 2019 (July)** admission to the program is:

May 1 – June 1, 2019*

Applicants selected for interviews will be notified in early June for Summer 2019 admission.

* Application filing period dates are subject to change at the discretion of the Health Sciences Division.

L. Notification of Acceptance

After applications have been verified as complete and qualified, department applicants will receive an email informing them of their application status. The applicant's sponsoring department will also be notified of their employee's status.

Applicants who receive an acceptance email are required to return a confirmation form to the Health Sciences Division Office by a designated date to verify the applicant's intent to secure their space in the class. Applicants who have not completed an acceptable anatomy/physiology course will automatically be scheduled for the continuing education course prior to being accepted to the Paramedic program.

M. Tuition Waiver

Paramedic applicants who are accepted to the program and who are paid full or part-time employees of a fire department or other public safety agency are eligible for their tuition to be waived per Attorney General Opinion Section 54.208: FIREMEN ENROLLED IN FIRE SCIENCE COURSES. Accepted students who have volunteer status are eligible for the tuition waiver provided their "hire" date was more than twelve (12) months prior to the start date of the program.

To be eligible for the waiver, an applicant to the program must have a minimum 2.00 overall grade point average on all college level coursework. The applicant must also have earned less than 120 college level credit hours at a college or university. Applicants who are accepted to the program will be screened by the Health Sciences Division Office and the El Centro College Registrar's Office.

If the applicant is accepted to the program and does not meet the above requirements for the tuition waiver, **they must write a personal letter of explanation** indicating the circumstances of their ineligibility and their intent to enter the paramedic program and complete a State of Texas Waivers and Exemptions Appeal Form which is available in the El Centro College Health Sciences Division Office. These materials must be submitted to the Health Sciences Division Office who will route them to the Registrar's Office for review. NOTE: The appeal must be submitted for review and approved by the Registrar's Office in order for the student to be registered in the Paramedic Certificate program. If the appeal is denied, the student's tuition must be paid by their sponsoring department or by the student.

CURRICULUM OVERVIEW - PARAMEDIC CERTIFICATE

The Paramedic Certificate is designed to prepare individuals to provide pre-hospital care to emergency patients. The program will teach the knowledge, psychomotor skills, attitudes and personal behaviors necessary to function in the role of entry level paramedic. The curricula is designed to provide courses which train the Paramedic to administer advanced life support including IV initiation, endotracheal and nasotracheal intubation, drug administration by various routes, interpret electrocardiograms (ECG's), perform defibrillation, cardioversion, non-invasive pacing, pleural decompression, and acquire 12 lead ECG's.

* Tuition and other fees subject to change. Please refer to current catalog for tuition table. Tuition above is current for September 2018.

** Estimated cost of physical exam and immunizations.

+ Tuition is waived for eligible employees of fire departments and other public safety agencies. See page 8 for information.

++ Liability insurance is assessed each fall at \$11.70 to cover fall and spring semesters. Fee is prorated to \$8.00 for a spring entry to the program and \$5.00 for a summer entry to the program. Liability insurance is generally covered by the sponsoring department.

See Accounting Office for Tuition Payment Plan option. Other costs to consider: Personal health care insurance coverage, transportation and parking fees at El Centro and hospital clinical sites.

GENERAL INFORMATION

1. The Paramedic Certificate Program is 42 semester hour program comprised of lecture, lab, and internship experience. Students enrolled in the program courses are TASP exempt.
2. The Paramedic Certificate Program's clinical experience requires that students be physically able to care for patients. This may involve lifting, moving, extricating patients from entrapment, and transferring patients to an ambulance. Students must be able to auscultate breath and heart sounds, and verbally respond to emergency calls. Students may be exposed to patients with infectious diseases.
3. Applicants to the health occupations programs at El Centro College must submit physical examination and immunization documentation to Castle Branch no later than the program application deadline.-

The physical examination must be on the **official El Centro Health Form** downloaded from the "Immunization Requirements" link at <https://www.ElCentroCollege.edu/HealthOccAdmissions> and must have been documented no earlier than 12 months prior to the application deadline. The specific immunizations and screenings are indicated on the El Centro Health Form.

4. All applicants must be certified in BLS - Basic Life Support CPR as designated by the American Heart Association and a photocopy of the front and back of the card must be submitted to Castle Branch no later than the program application deadline. The CPR certification must not expire prior to the anticipated program start date and must not expire during a semester when enrolled in the program. CPR classes are available through the El Centro College Continuing Education Division, the American Heart Association, American Red Cross, various hospitals, independent instructors, etc. **Totally online CPR certification classes including those offered by the Red Cross are not valid for application to health occupations programs.**
5. If the applicant's sponsoring department does not coverage their personal healthcare insurance and the applicant is accepted to the program, proof of coverage must be submitted to Castle Branch either **with immunization records or by the first day of the semester**. The insurance policy must cover the student at any hospital or facility for the entire program. Information on college student policies and rates can be found at the following link: <https://www.healthcare.gov/>.
6. *Criminal Background Check / Drug Screening*

If the applicant's sponsoring department does not verify a criminal background check and drug screen on the sponsorship form, the applicant will be given instructions on when and where to have these screens completed. The applicant would be responsible for all charges incurred (approximately \$86.00) for these screenings. **NOTE: This procedure is conducted after a student has been accepted to their respective program.**

Results of these screenings are forwarded to the El Centro College Health Sciences for review and verification that a student is eligible to attend clinical rotation. All background check and drug screening results become the property of the Health Sciences Division and will not be released to the student or any other third party.

A clinical agency reserves the right to remove a student from the facility for suspicion of substance use or abuse including alcohol. The clinical agency reserves the right to request that a student submit to a repeat drug screening at the student's expense on the same day that the student is

removed from the clinical facility. Failure to comply will result in the student's immediate expulsion from the clinical facility. Furthermore, regardless of testing or testing results, a clinical agency reserves the right to expel a student from their facility.

NOTE: Should a student who has been accepted to a Health Occupations program be prohibited from attending a clinical rotation experience due to findings of a criminal background check and/or drug screening, the student will be dismissed from the Health Occupations program.

More information regarding the Criminal Background Check and Drug Screening procedure is found at the "Resources for Potential Applicants" link at:

<https://www.ElCentroCollege.edu/HealthOccAdmissions>

7. Students who are enrolled at El Centro College in 6 credit hours or more during a fall or spring semester and 3 credit hours or more during a summer semester are entitled to a free DART train/bus pass for that semester. DART passes are available at the Cashier's office two weeks after the semester begins.
8. Individuals who were first-time college freshman students in Fall 2007 or after are subject to the guidelines of section 51.907 of the Texas Education Code which prohibits a student from dropping more than six (6) college level credit courses during their entire undergraduate career. For more information on the 6 Drop rule, see the official college catalog online at:

<https://www1.dcccd.edu/catalog/GeneralInfo/GradesTranscripts/dw.cfm?loc=ECC>

9. El Centro College charges a higher tuition rate for courses in which a student registers for the third or more times. The "Third Attempt" policy includes credit courses taken at any of the Dallas County Community colleges since Fall 2002. Developmental courses are not included in the Third Attempt Policy. More information regarding the "Third Attempt" policy can be found at:

https://www1.dcccd.edu/catalog/GeneralInfo/GradesTranscripts/third_attempt.cfm?loc=ECC

10. Financial Aid

Students should apply for Financial Aid Office well in advance of program application. More information on filing procedures and deadlines is found at the following link:

<https://www.dcccd.edu/PC/FA>

The Health Sciences Office located in Room P-712 at 301 North Market Street also has information regarding scholarships and other financial assistance for health occupations students. Contact the Health Sciences Division at 972-860-5095 for more information.

11. Students who are applying for veterans benefits should contact the El Centro College Financial Aid office at eccva@dcccd.edu.

RESIDENCY VERIFICATION ADDENDUM FOR TUITION RATE

Individuals who apply to reapply for admission to a Dallas County Community College are required to submit residency documentation for tuition rate purposes. A copy of this documentation is also required with your Paramedic application materials submitted to the Health Sciences Division Office. NOTE: Correct residency verification is required although a student's tuition may be waived.

Please refer to the criteria below for guidelines on the documentation which must be submitted to the El Centro College Admissions/Registrar office with DCCCD college application forms. **NOTE: Residency is ultimately determined by the El Centro College Registrar Office who may require additional residency documentation not listed below. Residency must be verified before a student will be registered in classes.**

TEXAS RESIDENT – defined as one who has established a domicile and currently has lived in the state of Texas for a minimum of 12 months prior to application to the college system.

DALLAS COUNTY RESIDENT – defined as one who has established a domicile and currently has lived in the state of Texas for a minimum of 12 months prior to application to the college system and who currently lives in Dallas County or personally owns property listed in the Dallas County Tax Rolls.

OUT OF STATE RESIDENT – defined as one who has not established a domicile in Texas or who has not lived in Texas for a full 12 months prior to application to the college system.

REQUIRED RESIDENCY DOCUMENTATION

If you have lived in Texas continuously for at least the past 12 months AND live in Dallas County:

- Photocopy of a current valid Texas driver license displaying your current address and issued more than 12 months previously.

If the driver license was issued less than a full 12 months previously and your address has not changed, you must submit additional official residency documentation with your current address such as a utility bill, apartment lease, house deed, or insurance card. All additional documentation must be dated 12 months hence. An expired driver license with the same address is also accepted.

If you changed addresses and your driver license does not display your current address, you must submit additional official residency documentation with your correct address such as a utility bill, apartment lease, house deed, or insurance card. All additional documentation must be dated 12 months hence.

If you do not live in Dallas County but personally own property on the Dallas County Tax Rolls:

- Photocopy of a current valid Texas driver license displaying your current address and issued more than 12 months previously **AND** a photocopy of a tax bill or deed dated 12 months hence showing your ownership of property in Dallas County.

If you have not lived in Texas continuously for at least the past 12 months:

- Your tuition rate will be determined as an "Out of State Resident" until you have resided in Texas and/or Dallas County for a full 12 months. If you have owned and maintained property on the Texas or Dallas County Tax Rolls for the past 12 months, please contact the El Centro College Registrar Office at Registrar-ECC@dcccd.edu.

PARAMEDIC APPLICATION CHECKLIST

This checklist is provided to assist you in following the steps toward program application. It is not part of the application packet which is submitted with transcripts, etc.

1. _____ Obtain Paramedic Certificate program information packet.
