Communication courses should be listed in 010 and 090. Stage 2 math should be changed to 020. HIST 1302, 2301, 2308 and 2381 in component area 060. Provide more electives in stages 2 and 3 to offer more options to students.	Communication courses should be listed in 010 and 090. Stage 2 math should be changed to 020. HIST 1302, 2301, 2308 and 2381 in component area 060. Provide more elective options in stages 2 and 3 to offer more options to students. Science should be included in all four stages so students can determine if they are well suited to this course of study.
