Dallas County Community College District Financial Aid Office has been notified that you previously had a Federal Stafford Loan or Federal Direct Loan that was discharged due to a total and permanent disability.

In order to receive future Title IV Federal Direct Student Loans, federal regulations stipulate that you must provide affirmation (check one below):

I am requesting a Federal Direct Loan for the 2018-2019 academic year. I affirm that the loan for which I am applying cannot be cancelled in the future based on my present disability.

Required Documentation: Attach a physician's certification to this form. The physician's certification must state that the student is able to attend school and return to work without hindrance from his/her current disability.

I am NOT requesting a Federal Direct Loan for the 2018-2019 academic year. I am only interested in grants and scholarships.

Please note: This form is NOT a loan request form. To apply for a loan, log in to eConnect and click on "Financial Aid Checklist."

I certify that statements made in this application are true, complete and correct to the best of my knowledge and belief. I understand that any false statements on my application may be grounds for denial.
